arrowhead golf club

wedding terms and conditions

pricing

there is a minimum food and beverage spending requirement to reserve your event in our grand ballroom, clock tower room and all main level rooms. for our prime season, we offer the option to contract for a lower food and

beverage

spending requirement with the payment of a prime season ballroom rental fee. the spending requirement stated on this contract is based on food and beverage items **only**, and does not include tax, service, additional fees such as specialty floral, entertainment, audio visual, specialty rental, chairs/covers/linens, additional room rental and additional staffing, etc. note that a 20% service charge and applicable sales tax will be added to all food and beverage charges. all menu items are subject to availability and may change or be deleted without notice.

any cancellations will result in the full forfeiture of any monies paid/deposited.

deposits

to reserve a date at arrowhead golf club:

a \$2,000 deposit is required to hold any wedding date in the grand ballroom. a \$300 deposit is required for ceremonies.

* if the contract is cancelled for any reason, the deposit (and prime season ballroom rental fee) will be forfeited in full.

*if the contract is for a prime season friday or saturday, and the lower minimum option is chosen, the prime season ballroom rental fee is required at time of deposit.

payments

6 months prior to your event, or halfway between your deposit date and your event date, whichever is later on the calendar: 50% of the minimum contracted food and beverage spending requirement is due. previous deposits will be applied toward this payment. any payment of prime season ballroom rental fee will not be applied toward the 50%. failure to pay this amount will result in cancellation of the event and loss of deposit and other fees paid.

payment can be made with credit card, cashier's check or personal check.

3 weeks out

food and beverage choices must be finalized, as well as any other final issues regarding room setup. when two or more entrées are served, the host is required to provide a place card for each guest (or couple) that clearly displays the entrée choice. in addition, special needs such as audiovisual equipment, specialty wines /champagnes and linens must be finalized. the group and its guests may not bring in any outside food or beverage (with the exception of cakes from a licensed bakery) onto the premises. at this time if you request, arrowhead will provide an estimate cost for the event.

no later than 10 days from the event

final guest counts are required. this is the number of guests for which you will be charged unless the guest count is greater at the time of your event (in which case you will be charged an additional fee for each additional guest). additionally, if menu choices and firm numbers are not provided at this time, we cannot guarantee the availability of your menu selections. wedding clients are also required to submit a floor plan and spreadsheet with table numbers and menu counts at this time. based on the final count, final payment will be made at this time. if client has paid the prime season ballroom rental fee in order to use our lower minimum option, but at the time of final payment client has now met the standard prime season minimum food and beverage spending requirement, the previous prime season ballroom rental fee will then be waived and applied toward the final payment. any additional miscellaneous expenses incurred the night of the event must be paid immediately at time of request before service can be rendered.

day of your event

your room will be available two hours before your function for additional decoration. the event space will be available for you and/or your agents to begin the process of setting additional decorations. during this time, arrowhead staff may be continuing work on setting up the event in order to start at the appointed time. this may include but is not limited to table and chair movement, linen placement, vacuuming, setting china, glassware and table mirrors, filling of ice water at the table and various other activities related to preparing for the start of your event. please see "policies" regarding restrictions on decorations. charges will be assessed for any additional clean-up or damages. picture locations are available on the premises, but limits and restrictions exist as specified by arrowhead. absolutely no pictures (or travel) allowed on playable areas of the golf course. photo activities must be approved by arrowhead staff in advance. absolutely no smoking is allowed on the balconies of the grand ballroom. warnings will be given to guests who do not follow the rules. if guests continue to smoke on the balconies, arrowhead golf club reserves the right to lock the doors.

c. with the exception of cakes/sweets from a commercial bakery, no outside food or beverage is allowed onto the premises. any outside food brought in to arrowhead will not be served and/or will be immediately removed from the function. if client is using a cake/sweets from a licensed vendor, the vendor will be required to submit a certificate of insurance listing arrowhead golf club as an additional insured for up to one million dollars. the vendor will also need to deliver a receipt with the cake/sweets confirming purchase and payment by the client. if a client is bringing in a sweet table from a licensed vendor, there is a fee of \$3.00 per guest. please also note, in the interest of the client and guests, arrowhead will not allow any food or beverage to leave the premises under any circumstances. the only exception is the wedding cake which will be boxed up for the client if a box is provided by the bakery.

d. all outside vendors must provide a current certificate of insurance naming arrowhead no less than two weeks prior to the event. said certificates of insurance must be in accordance with wheaton park district's requirements before they can be approved. vendors without current and approved certificates of insurance will not be allowed on the premises. please check with your vendors, as many outside vendors already have approved certificates of insurance on file with arrowhead.

e. the client agrees to be responsible for any damage done by the client, his or her guests, members, employees or other agents under the client's control. arrowhead will not assume or accept any responsibility for damage or loss of any merchandise or articles prior to, during or following the client's function.
