COMMON QUESTIONS:

What is the age limit?

No player may turn 14 years of age prior to August 1, 2018. Children ages 7 and 8 may be allowed on the team at the discretion of the team captain (PGA Professional) if space permits and they demonstrate that they are emotionally able.

Will my child play in each match?

Every child plays at least one three-hole segment (flag) in each match. New "flags" start on the first, fourth and seventh hole of each match. Players must stay with their match during competition and assist their teammates when not playing.

How does the scoring work?

- Each three-hole segment of a match is called a "Flag"
 - Matches consist of 9-holes (three "Flags")
 - One point is awarded per "Flag", meaning three points per match.
 - There are four different matches per competition
 - 12 total points are awarded per competition
 - If a "Flag" is tied a half point is awarded to each team.
- There are no tiebreakers.

How long will each match take?

Each match consists of 9-holes of scramble play with shorter tees often used. Matches should last less than 2 ½ hours.

How do I register my child?

To register a player go to pgajlg.com. Select the green sign up button, search Arrowhead Golf Club, 60189, then click submit. Andrew Ogata will be the Team Captain for Arrowhead Golf Club.
