3 weeks out
food and beverage choices must be finalized, as well as any other final issues regarding room setup. when two or more entrées are served, the host is required to provide a place card for each guest (or couple) that clearly displays the entrée choice. in addition, special needs such as audiovisual equipment, specialty wines / champagnes and linens must be finalized. the group and its guests may not bring in any outside food or beverage (with the exception of cakes from a licensed bakery) onto the premises. at this time if you request, arrowhead will provide an estimate cost for the event.

no later than 10 days from the event
final guest counts are required. this is the number of guests for which you will be charged unless the guest count is greater at the time of your event (in which case you will be charged an additional fee for each additional guest). additionally, if menu choices and firm numbers are not provided at this time, we cannot guarantee the availability of your menu selections. wedding clients are also required to submit a floor plan and spreadsheet with table numbers and menu counts at this time. based on the final count, final payment will be made at this time. any additional miscellaneous expenses incurred the night of the event must be paid immediately at time of request before service can be rendered.
